

In 2022, Sherrills Ford Elementary (formerly High School) celebrated 100 years of serving students in this community. To commemorate this centennial year, the school started an Alumni Walkway near the back fields on campus to showcase both current and future alumni of the school. The proceeds from this fundraiser will continue to go towards campus improvements as they are needed throughout the year. i.e In 2023 proceeds were used towards the purchase of tables and desks to be used throughout the school.

\*\*Bricks will be available for purchase throughout the year, but please note only 1 order will be placed each school year (January/February) with 1 installation project each Spring. You will be notified via email once the brick order has been placed and then once installation has been completed as well.\*\*

Thank you for supporting Sherrills Ford Elementary!
