

Knowing & Growing Our Students

Dear Business Owner,

Sherrills Ford Elementary School has been a part of this community since 1922. In this time, we have served countless amounts of students. But, we wouldn't have been able to support these students and their education without sponsors like you. We would be honored if you would consider partnering with our school to continue to enhance the education of the students this year and in the years to come through our 2019 Make It Happen Campaign. Additionally this year, we will be raising funds to replace our Lower Grades Playground and for enhancements to our Upper Grades Playground, as our playground equipment is aging out of its shelf life. With each contribution, the name of your business will be displayed on our social media pages and website, with options to increase the amount of advertisement within our school community. Our Sherrills Ford Elementary PTO website www.sherrillsfordpto.org and Facebook Page www.facebook.com/sherrillsfordpto are very active. Our Facebook page has 1300 followers, that are very engaged with the daily happenings at our school. It is our goal to work with local businesses like yours to help grow our community and support our children at Sherrills Ford Elementary School. Please take a look at the attached form for our current sponsorship opportunities.

Once you have selected your sponsorship level, please fill out the attached form and mail with payment, made payable to SFES PTO, to the below address. Once the form is received a PTO representative will be in contact with you to discuss additional details. We are a qualified 501(c)(3) and 100% of your donation is tax-deductible. Sponsorship form deadline is October 30, 2019 to end in conjunction with our 2019 Make It Happen Campaign with our Student Body.
