

Knowing & Growing Our Students

Dear Business Owner,

Sherrills Ford Elementary School has been a part of this community since 1922. In this time, we have served countless amounts of students. But, we wouldn't have been able to support these students and their education without sponsors like you. We would be honored if you would consider partnering with our school to continue to enhance our outdoor space this year through our 2021 Make It Happen Campaign. This year, we will be raising funds to widen and resurface our running track & add flooring to our Gaga Pits. With each contribution, the name of your business will be displayed on our social media pages and website, with options to increase the amount of advertising within our school community. Our Sherrills Ford Elementary PTO Website www.sherrillsfordpto.org and Facebook Page www.facebook.com/sherrillsfordpto are very active. Our Facebook page has 1300 followers, that metrics show are very engaged with the daily happenings at our school. It is our goal to work with local businesses like yours to help grow our community and support our children at Sherrills Ford Elementary School.

Included is the SFES 2021 Make It Happen Community Sponsorship Form. Once you have selected your sponsorship level, please mail the completed form and payment (made payable to SFES PTO) to the below address. Once the form is received a PTO representative will be in contact with you to discuss additional details. We are a qualified 501(c)(3) and 100% of your donation is tax-deductible. The sponsorship form deadline is November 3, 2021 to end in conjunction with our 2021 Make It Happen Campaign.
